Fundamental Baptist Home Missions and Supporters,

Hope when you receive this letter, you are filled of the abundant blessing of our Beloved and Powerful Lord Jesus Christ.

Accomplished objective. By the grace of God I was able to finish my studies in the Baptist College of Honduras, last month of July. I thank God for His faithfulness and for using you in the process to be of blessing to my life.

Not everything was studies in the Baptist College of Honduras. During my time of studies, I was able to train various brethren in evangelism, whom are now soul winners. Also I taught various brethren in discipleship and in having routes, who are now leaders and assistants of routes. Also I trained in the technical areas of the ministry as the sound system and transmissions and among other ministries. It was three years and a half of great experiences of which I was able to serve and learn.

Now I am together with my pastor, assisting him in the works that He ministers, in the city of Tela as well San Juan Pueblo and Toyos. My objective now is to serve the Lord in my local church while He provides the necessary to get married and go out to serve in the place that He has put in my heart.

### **Prayer Requests:**

- 1. For my health, the health of my mother (Esmeralda) and the health of my girl-friend (Betsabe).*
- 2. For a property for the Iglesia Bautista La Roca in San Juan Pueblo.*
- 3. For a personal vehicle to labor in the work.*
- 4. For wisdom to made personal and ministerial plans.*
- 5. For more students in the Baptist College of Honduras.*

In my graduation, I had the privilege to preach to the young people in Iglesia Bautista Maranatha in Cofradía, Cortes, Honduras.

Javier Alvarez
