Beloved in the Lord, we give thanks to God for what He did in this first three months of year 2020. We have seen the hand of the Lord saving, providing, and adding souls to our church.

God has give us the oppottunity to win souls for Christ all these months that have passed and glory to God that He adds to our church some of these souls to contribute in their spiritual growth through the services and through discipleship. Our brethren are obeying the Word of the Lord, studying the Scrip-tures so they can know what God says and put it in practice. Some of them have meditated in what they have learned and have found out that they haven't been baptized Biblically for which we solicit to be baptized correctly as the Word of God teaches.

The Lord has been faithful providing the necessary to be able to pay the rent of the house in which we congregate and to pay for the public services but is our desire that the Lord provide the necessary to be able to buy a property to build a temple so we can have it our own and be able to serve better to our brethren. In some occasions the space that we have is very little. It is a good problem! It is the hand of the Lord working in our church.

Our children's Sunday School has grown much. Recently it has been added three small ones which two of the oldest have come asking me for Bible study. We are encouraging our adult brethren to congregate on Sunday morning as well to keep growing in their spiritual lives. We have experienced some difficulties in transportation. There are two families that live far from the church. We bring them in a taxi paying for each one of them and at night the pastor drop them back in his car. However, when the pastor cannot come to San Juan Pueblo, it is difficult to bring these families to church due to the distance in where they live. Even I have some difficulty with the transport to come to San Juan Pueblo because I lack my own transportation. I travel in public bus and

sometimes the buses don't travel for different situations or I don't arrive at the bus station on time. Sometimes the brethren of Tela have come all the way to San Juan Pueblo to take me back to Tela.

We celebrated our eighth anniversary of the start of the work from February 27 to 28. We had a good time rejoicing in the Lord and in the communion with our brethren. God saved some 6 people through the preaching of Pastor Axil Urbina who was the preacher on the first day and Pastor Chip Stowe on the second day. Our brethren were assisted by the brethren of our mission agency and we enjoyed a good time with the Word of the Lord with some dynamics. God gave us an excellent time of spiritual rejoicing together with our church and visitors.

Prayer requests:

1. We ask your prayers for my health and the health of my mother (Esmeralda Hernandez). We both are diabetics. Thank to God our health is stable. Pray so God can provide for medical exams, medications and medical appointments. My mother was recently diagnosed with some small hernias in her neck and are producing great pain in the nerves of her hand. I ask your prayers for her medications and physical therapy.
2. For a property and a temple for our church.
3. For provision to pay the rent of the house in which we congregate.
4. For transportation to travel to San Juan Pueblo and to be able to bring our brethren to our church.
5. For Evangelism and discipleship in the church.
6. For encouragement for our brethren to congregate faithfully, be baptized and be faithful to discipleship.
