I take opportunity to thank the Lord for your lives as well His precious grace shown in our lives with each prayer and support for us, your missionaries in Honduras, especially in Sonaguera, Colon.

On March 15, we had our 6th church anniversary in the Iglesia Bautista Fundamental of Escano. The Lord has supported us through these 6 years of battles, tears of victory, seeing thousand souls coming to the feet of Christ, restored homes and men rescued from drugs. We celebrated with 3 nights of revival. It was a great investment to work and sell tamales. We were able to raise 5,000 lempires and by using part of my support \$200 dollars we were able to have the conference. We had 300 people in each service hearing the Word of God. At the end of each night they had a plate of food. Among the visitors, we had 5 people accepted Christ. Two couples of the local church committed themselves to get married to serve more God.

Thanks to God that now we count with a vehicle for the works that we administer. I thank Brother Chip and Sister Angi for the support of the vehicle. I ask your prayers due to the vehicle. The vehicle is in good condition. The cost was \$5,300 US dollars. This vehicle is a challenge because we had to finance it. I gave \$1,918 dollars. So we owe \$3,382 dollars. **We need to pay \$409 dollars monthly until December. We do not have this much money so we need help with the payments or the balance.** We have put up to 25 people in it. We are having many new people come and making better decisions.

I ask your prayers because God put a burden in my heart together with Missionary Carlos Gomez to open a Bible seminar. There is a great need in Colon. There is 52 towns and each town there are more than 1,000 people. We want to prepare men and women for the ministry. We count right now with 15 men willing to study and get prepare. I ask your prayers for my support so God can provide more. Thanks brethren for your prayers and support. We love you in the Lord. God bless you.

Brother Samuel Amaya
