Dear Pastor and Brethren,

Here is a report of some things that is going on in the ministry here in Ghana, West Africa!

#### COMMUNITY SERVICE:

By the Grace of GOD, we recently had a very special day in a poor village for the widows, some old men and women in the village and the entire Church through our annual cook out day. On that day we were able to feed many people in the village who cannot buy a meal and witness to them with the Gospel!

#### EVANGELISTIC MINISTRIES:

Weekly we are doing one on one evangelism and some preaching on the streets! Thru this ministry, many are accepting the LORD into their life and becoming a Christian!

#### CHURCH ACTIVITIES:

All of our churches that we have planted over the years are growing tremendously! Some are bringing out fruits with many local people getting saved and God's people growing in His Grace and Knowledge!

#### BIBLE INSTITUTES FOR PREACHERS AND LEADERS:

The students are increasing with new enrollments and the current students are learning much and growing spiritually!

#### SOWERS SEED CHRISTAIN SCHOOL:

The school is growing, and the children are doing well in their performance and their studies!

#### BIBLE BELIEVERS CONFERENCE IN APRIL:

This year we had around 400 souls who attended! It was a blessing to have with us this year to help host the conference, Keith Phelps, Joe Hendricks and Mark Patrick from the USA! During the evangelistic preaching, 25 got saved and 18 souls were Baptized! Also, more Bibles were given out to those who do not have a Bible after the Conference. It was a great Conference! Thank you for your prayers and support!

#### PRAYER REQUESTS:

By God's Grace we are hosting 3 different youth camps this August. We are asking you all to join us in prayers for the LORD to supply the needs. The expenses will be around \$10,000. We are expecting 1500 youths to attend the youth camps.

THANK YOU for your faithfulness in supporting the ministry here in Ghana, West Africa!

God Bless

Pastor Emmanuel Ameyaw  
Your missionary to Ghana, West Africa
