### Pastors, Churches and Prayer Warriors:

It is a blessing to greet you one more time and share what the Lord is doing in our ministries.

This year we are working to help our young people establish a youth choir. Thanks to God for Brother Carlos Estrada, who gave the young people some helps to make this choir possible. Also, we have had Sister Guadalupe Morales that got baptized. She is a single mother with a teen and a young boy. Pray

for her; she has gone through very hard times, but she has sustained herself in the Lord. It is wonderful to see how she has grown in the faith. Also, this coming Sunday, we will have two young people to get baptized. What a blessing to see people take steps of obedience for the Lord!

I had the opportunity to preach in Hempstead, Texas, with Pastor Azael Garcia. God is using this servant with his family in this town. God has given them a new building and I had the privilege to preach for its dedication.

Also in May, we had our family conference. We enjoyed the preaching and teachings of the Word of God. Decisions were made to honor more our God in our homes.

Also, we are fixing some areas in the church building. Thanks to God for the men that are willing to make these improvements, the place that God has given to worship Him - fix the flooring of our basement, where we have the fellowship, and the Sunday School rooms and the flooring of the front entrance of the interior of the church. Also, we will be working in fixing the bathrooms and the sanctuary in the future.

We keep winning souls. The need is great and in spite that sometimes it is not easy, but God is adding new people. We have had various visitors, mainly adult men. Some come for a while and then move on, but thanks to God, the work is His.

We will be having our Vacation Bible School on Saturday, June 21. We are excited what the Lord will be doing. Also we will be going with our youth to youth camp the last week of July. God will give me the opportunity to preach and teach in this camp. Pray so many decisions will be made and the fruit will remain.

In our second ministry, I want to thank God that a special offering was made for Sister Sarai, daughter of Missionary Hugo Santos in Guatemala, so she can learn how to play the piano. That will be a great blessing for this ministry.

We keep working on with the missionaries of the mission agency in the different parts of the Hispanic world. May God keep using them and giving them more souls for His honor and glory!

Thanks for investing in the souls to be saved and the edification of

them. It is the best investment.

Thank you very much!!!
