Dear Pastors, Churches and Praying Friends,

Hope you are doing well and enjoying the blessings of our Lord together with your family and ministries.

My family and I are doing well. We have been here in North Wilkesboro, North Carolina for 4 ½ years. We have seen a lot of blessings of God in both of our ministries. We thank God for being part of His perfect plan and will.

Once a month, we are having a ladies meeting in one of the houses of one of the ladies of the church. This has strengthened the Christian bond of our ladies of our church. Also we keep having our monthly prayer meeting in one of the houses of our church members. This also has increased the unity of our church. Like I mentioned before, we also started to have music classes in our church. We have 7 students and they are learning voice, piano and violin. This coming Saturday, June 1, will be there recital at the church at 4pm. It is a blessing to see how they are growing in knowledge in voice and instrumental to praise the Lord.

Also in April we had our attendance campaign. We had a lot of visitors and we had a great time. We had a goal of attendance. In spite that we didn't make the goal but it was a blessing to see new people of the church go out soul winning during this time. We saw several people saved in their homes and in church. One testimony was that on the last Sunday, we had a celebration for Children's Day. We had a new family that visited us from 40 minutes away just because they saw a flyer about this special celebration. They were a total of 10 with children, young people and adults. 2 of them accepted Christ as their Savior that day.

This summer, we are planning to fix our church building. We are planning to pressure wash the exterior, then paint it & also to fix the exterior carpet of the front of our church building.

Thank you for your prayers and financial support so souls can be saved and believers can grow in the Lord. This will be added to your heavenly account.

Also I had mentioned in my previous letter about going to Panama this month in May for a mission trip. I wasn't able to go because the missionary that is there needed to return temporarily to Mexico due to the need of surgery. He needs to recover for a few months. I am planning to see if we can go to October in a mission trip to El Salvador. Please pray to see if we go to this mission trip. Just this Friday, May 10, Missionary Gabriel Bonilla from El Salvador was celebrating Mother's Day with his wife. His wife collapsed and died. He buried his wife that Sunday, May 12. Please pray for Missionary Bonilla and his children so God can comfort them. This is the missionary that we are planning to have the mission trip in October.

Also I had mentioned in my previous letter about Missionary Hugo Santos in Guatemala. He has two churches there and doing a great job for the Lord. He still needs to buy a vehicle. He found one but needs \$2,000 dollars to buy it. Please pray for him and if God touch your heart to be a blessing to him and his ministry, it will be a great investment.

One more time, thank you for your investment in our ministries in North Carolina and internationally in prayer and giving. May God keep multiplying what you are doing for the Lord.
