Pastor and Church:

Greetings in the name of Christ trusting that you are well, your family and your church.

We know what is happening around the world. As Christians, we know what the Scriptures says. Christ told us these things will be happening. Thanks to God, your prayers, and your support we keep until Christ come back.

Thanks to God and your support in these months. We have seen the hand of God. We were praying to build a church in the mountain of Politron, Libertad, Honduras. Thanks to First Baptist Church of Bridgeview, Illinois with Pastor Bill Clark. They gave the money to build the church building. It is beautiful. The people in the mountain are very encouraged. They have seen people saved and baptized. Many of the brethren are asking for Bibles. Many places they cannot meet because the police are taking people to jail if they are out. But in the mountain, the police don't get there. The church is having services. Pastor Henry Gomez is going to preach to them. Pray because is difficult for him to go. He need to go very early before the police is out so he can go and preach to the people of the mountain. Please pray because we need to finish the bathroom of the church. We need \$750 dollars but we trust in God that He will provide.

Thanks to God for your support in sending Bibles to Honduras. Las month we send 1296 Bibles to the city of Tela so when school starts they can go and preach and give Bibles to every boy and girl in the schools. The need is great. People are asking for Bibles because they are lonely at home living in depression & worry. We know that the only solution to this world is Christ. He is the cure of this sickness in the world that we live in. Be encouraged & pray so God can help us not lose the vision of what God has commended us in 2020. The churches keep on even when the pastors have been sick. We ask prayer for Pastor Henry Gomez because they found a sickness that is not curable but he keeps on. Pray so God can

give Him strength to keep preaching in the 3 churches.

I ask prayer so we can get a pick up to Pastor Carlos Gomez to pick up people for the church in El Corral and the cost is \$6000 US.

Please pray so soon we can get back to Honduras. The situation of COVID-19 doesn't let us go back. I need to renew by paperwork of immigration of Honduras. It expires in November and with all this I don't know what is going to happen.

Thank you much for your prayers and support for the work of God to keep on.

God bless you.
Bro. Josue Andrade
