Dear Pastor and Church,

For us is a big blessing to mention what God is doing in the country of Honduras. 2018 was a great blessing seeing the hand of God in Honduras and we hope in 2019 is bigger. I hope that you had a great 2018 and you had a good start in 2019. In 2018 we were able to see a church building built in Sastre, Honduras.

We also started one in the mountains. It hasn't been easy to take all the building materials up the mountain. We had problems to get building permits and we are out of budget to finish it. We need \$1,200 dollars to finish it. Please help us pray so God can provide.

Last year also, we were able to ship more than 30,000 Bibles to Honduras. A pastor that we send Bibles there in Honduras mentioned to us that their Sunday School has grown more than half due to this mission project. It is because the Bibles are given in the public schools and now even the Vice President Minister of Education of that area is going to church. Thank you for being part of the work here in Honduras.

I had the opportunity to go back to Honduras in January. We had a group of brothers from North Carolina help us build a purified water system. It was a great blessing to the com-

munity and the church. The community and the church know that we care for them and this is a tool so others can hear about the Living Water, Jesus Christ. We also went to the mountain to help finish the roof of the church building.

The same day we took book bags, pencils and notebooks to the children in the mountain. Many of these kids never had a book bag in their life. So thank you for the churches that help us get these school supplies to them. Also thanks to God that this mission trip we were able to help Pastor Carlos to make a septic tank for his house.

Not only, we gave school supplies to the children in Sonaguera and the mountain but also in the city of Tela, San Juan Pueblo, Toyos and Copan. We gave more than 200 book bags, 900 notebooks and 900 pencils but most important we gave the Gospel. We saw many profession of faith. One evening, we were eating dinner in Sonaguera, and some children came to us asking for food. Brother Jimmy bought

them food but also Pastor Carlos and Henry Gomez gave them the spiritual food of the Gospel. They accepted Christ as their Savior. This is what Honduras needs to fill the void of their hunger. The answer to this world is Christ. He is the Way, the Truth and the Life. Please help us pray so we can put more purified water systems in other parts of Honduras in the future. Not only they can drink clean water but an opportunity to drink the spiritual Water, accept Jesus Christ.

Also thank you for the churches that provided a motorcycle to Pastor Henry Gomez. We are short \$600 dollars. We need to pay that money by June 2019. If God touches your heart to give an offering, please do.

Also we are planning a mission trip to Costa Rica and Panama in May. We want to do the same thing we are doing in Honduras. We want to preach in the public schools and give Bibles. Please pray so God can provide the \$2,000 dollars for the trip. We are going to start sending Bibles to Costa Rica and Panama this month.

Thank you for all your prayers and faithful support of the ministry of Honduras.
