Dear Brothers and Sisters in Christ,

Greetings in the Name of our Lord Jesus Christ. We praise the Lord for bringing us into a new year where we have opportunity to serve Him once again. We trust that this year will be a blessed one for you all and that you will see the fruits of your labour in His work.

As we reflect on last year, we are amazed as to how the Lord brought us through all the trials and pressures of His work. We were blessed to see many in the church make decisions for God as His word was preached. The children of our school continue to, not only receive a good education, but to be educated in the Holy Scriptures that they may come to know Jesus as personal Saviour.

As some of you are aware, the Lord opened the door for our family to return to our former house which we have not occupied for six years. This in itself was a miracle. We were able to move back in on December 23<sup>rd</sup>, 2018, and are settling in from a very busy and exhausting December. It has been a financially draining experience though, and we are praying that the Lord will help us meet all the expenses that the move brought. Please pray with us in this regard.

We are looking forward to what the Lord has in store for this year. All we want to do is be faithful in serving Him. We take this opportunity to thank you for supporting us in serving the Lord here in Antigua. We are blessed by your faithfulness and pray you will continue. Please pray especially that the many boys and girls that attend our school and their parents will come to know Jesus. Our focus is to continue to minister the word of God to them and leave the rest to the convicting work of the Holy Spirit.

May God bless you all now and all through the year.

Pastor David Archibald
