Dear Supporting Friends,

We greet you in the Name of our Lord Jesus Christ.

It's hard to believe that summer is almost here. It seems like just yesterday we were beginning another school and church year. As we approach the ending of the school term, things are very busy in terms of the school. Students are taking exams, preparations are being made for graduations and plans are being finalized for end of term events. This has been an exhausting year for all of us and we are looking forward to getting a break. Please pray for grace and strength to make it through these next few weeks.

We think back to the many challenges of the past few months. Both church and school have had a number of difficulties that have been like obstacles in the way. Recently, thieves have targeted the school and have made off with a microwave and food for the children. This happened a number of times and the police are doing what they can under the circumstances, as this is a regular occurrence in our country at the moment. They also broke into my office but found nothing that they wanted as it seems they are after food and money. In these times of scarce resources, this has been a real tough time for us. Please help us pray that the perpetrator or perpetrators will be found and that we will have the opportunity to minister to them. They need the Lord just like anyone else.

We also want to remind you to continue to be in prayer for Sapphire as she continues her daily struggles with Fibromyalgia. This for her is her cross to bear for a reason. She was able to give her testimony in church recently. We believe the Lord will use her to help many others who are also struggling with the same thing or just facing similar circumstances.

We take this opportunity to thank you once again for your faithfulness in supporting us in these difficult days. Your generosity and labour of love will never go un-noticed by God. We love you all in the Lord.

In Christian Service,
Pastor David Archibald
