God bless you, greetings from your Bonilla missionaries from El Salvador

It is a great blessing to work for God. We thank God for each one brother and church that you support us spiritually praying for us and financially. February was filled of many activities of the 4 weeks.

- *We realized our mission conference with 4 guest preachers. We realize a promise to support 12 missionaries in 2019.*
- *We realized a party of 15 years old for one of the young ladies of the church. Cindy Soto, this young lady is with us since we started here.*
- *We had a class for workers for 9 Sunday School classes to get prepared for this 2019.*
- *A couple of the church that pastors, Pastor Henry Gonzalez, brother William and Sister Carla supported us during February. It was of great support because the attendance got almost to 100 people per Sunday.*
- *Also we are investing in a couple that also is coming from the church of Pastor Henry Gonzalez and are supporting us in preaching in an area called San Juan and we had a good result in saved and in people coming from that area to come to church.*
- *About the children's class we still need 32 bags of cement to put the columns because they are already put together but we need money to be able to put them.*
- *Every Sunday we are giving out a glass of milk and bread for the children.*
- *Brother Anderson Besa of 13 years old and Tatiana Melara of 11 years old got baptized this month.*
- *A group of soul winners reached 18 people for Christ in February.*
- *For the house of the Bonilla missionaries, we thank you for supporting us to fix our house. We got it: we put ceramic, electricity, fix the walls, painted the house and we put doors and windows.*

Thank you much for supporting the work in El Salvador. Your support is important for the ministry and for your servant. God bless you for all you do for us.
