MISSIONARIES IN TOGO, WEST AFRICA

Benjamin

Dear Friends in Christ,

I am reminded of the hope of the Psalmist when he states, *"I will lift up my voice to the hills, from whence cometh my help. My help cometh from the LORD, who is in heaven and earth. He will not suffer thy foot to be moved: he that keepeth Israel shall neither slumber nor sleep."* (Psalm 121:1-4)

We are grateful to the Lord for His blessings on our lives. By His grace, we are growing and joyous. We thank God for His grace and Love, which help us to reach the community. We hold door to door evangelism every Saturday afternoon and distribute the New Testament and John and Romans booklet and more souls were won for the Lord. They are in disciple class for future baptism.

I want to thank the Lord for Pastor Keith Phelps and Pastor Joe Hendricks for their support of our church on our Easter convention in Togo in April and donated to our building project to fix all the windows. By God's grace, it has been done. We are so excited because now our temple we worship in is secure and we are protected, therefore we are about the project we need prayers to finish in due time.

I got in a brutal accident on Thursday May 22 with a tipper truck. My car was damaged but by God's Grace, I am well. Please be praying for me to restore the car in due time.

Both of the churches in the village are doing well and the attendance is increasing. They need your Prayers.

Prayer request:

- *Pray for me as my years are advancing, I need another person to take my place in the future,*
- *As the project reached 70%, we need help to finish the rest of the work on the school for children and other departments, like fixing podium (alter) and side flow.*
- *Pray for the churches in the village for the Pastors financial help to carry out their work.*

Thanks so much for your support and prayers. May God richly bless you all.

Yours sincerely,

Your missionary to Togo West Africa - *Brother Benjamin & Marie Bonni*
