I want to thank the Director of Mission board Brother Chip Stowe for helping to raise the money for the motor Bike for the brother working in the village, and it is helpful for him by means of transport to the Bible school and the same time for the ministry work and we continue praying for donor

The director of the mission board, Brother Chip Stowe, was in Togo last August and we had a wonderful time with him as he passed through many villages in Togo to see what we are doing here. We had a good time with him and Africa director Brother Phelps and it was honor for me to have the Director to preached in my church. I took him to our prayer camp where I share the need in the village, first borehole where we can get water and means of transport (**we need bus which can take people**) to the village for camping for many programs we do there and at the same time we will use it for the Bus ministry, which is an effective tool for soul winning in my country,

On August 29, 30, 31, we had youth camp; about 75 participated and it was a wonderful time for our youth.

On August 30, brother Mawuli Togbi-Wonyo held a seminar for Pastors and church leaders and new Bible students. The theme was “Speaking on the Tongue” and it was powerful teaching. We had about 70 participants and they were all happy about the teaching and are now back home with joy .

I want to share these prayer requests with you so that you will be praying for me.

- Pray for my family; my wife my children to hold the fort in the ministry and the Lord to give us good help.
- Pray for the village ministry that more souls will come to know the Lord.
- Pray for us to have financial support in the work and for the preacher in the village.
- Pray for our building project which we are hoping to start by 2020, God willing.
- Pray for us, we need a BUS for bus ministry and the same time to use for our prayer camp meetings and we need borehole in the village prayer camp.

Thank you all for your prayers and partnership. Brother Benjamin Bonni
