Dear Prayer Supporters,

We praise God for His unfailing grace that has sustained us during the Covid-19 pandemic. We indeed are now living a new normal life. We have not been able to do certain things; other things have been done in a different way. In the midst of all this, God has remained faithful as always, and has shown us the new ways of preaching the gospel — His word cannot be bound.

Since the lockdown on March 20th, we have been using WhatsApp for all of our church services (a new normal way of preaching the gospel). This has been quite challenging since we were not prepared for it.

Since the situation is getting bad to worse, my brother and his wife in USA has offered donations to help buy some food items to help my church members who are in needs and it helped a lot. Of people; about 40 families benefited from it. We would like for you to be praying for us that churches should be open so we can start our activities as normal.

I would like to thank the Lord, even though churches are closed, I’m able to visit the church every Sunday morning. We were told not to worship but not to pray, so I go there with my deacons and a few other who are close enough to came and we pray together for the situation we are passing through.

**PRAYER AND PRAISE:**
- Traveling mercies and daily provision
- Good health and restoration of the world to normalcy
- Faithfulness in fulfilling our mandate from the LORD
- Financial needs to be met for the ministry

May the Almighty God continue to bless you all as we labor together!

Yours in the King’s Service,

Benjamin and Marie Bonnie
