Dear pastor and church:

Receive a warm greeting from the beautiful country of Costa Rica.

It is a blessing to share with you what God is doing in our ministry.

Like every year, we started a teen camp. Activities that we realized together with other 6 churches. Like always, it is a challenge to influence the live of the young people. We know that the battles that they faced are different every time. However, thanks to God that He works in a special way. Many of them made decisions to consecrate to the Lord.

On the other hand, as a church we keep on in the work that He has commended us. Thanks to the Lord in these first two months of the year, we have had baptisms and various visits in the church. By the grace of God, the membership has increased and the attendance of the church each time is greater. Even, the property in where we congregate little by little is getting smaller, which is a blessing. Even, one Sunday morning, literally we didn't space and we had to put chairs in the exterior aisle. I ask that you help us pray for a greater location.

Also I ask your prayers, If God permits, we will be traveling to Mexico in the month of June. Abisai., our older son will have grade school and the graduation will be in the city of Cuernavaca.

Lastly, we don't get tired to thank each church for your prayers. Without a doubt, it has been what strengthen us in the difficult times. May the Lord reward you greatly.
