Dear Pastor and Church:

Receive a warm greeting from the beautiful country of Costa Rica. We rejoice to be able to share with you the advances of our ministry of which you are a very important part of it.

In the month of February we celebrated "Friend's Day." The goal was that each brother of the church to invite their friends to church so they can hear the message of the Gospel. By the grace of God, we had visitors and people being saved. In this occasion I was able to guide to Christ a whole family.

In the month of March, we had the blessing to be the host of the ministry, "Evolution Evidence Expo" that visits Costa Rica for the visit time. We were able to be in a school and in various churches and God opened more doors so next year they can be in more schools teaching the evidences of creation. This ministry is very special because after the exposition, at the end, they take time to preach the Gospel. This project is new in this country, but we trust that the Lord can keep opening doors.

We had the pleasurable visit of Pastor Benjamin Careers and his team of teachers. They gave us a teaching for effect discipleship. I don't have words to express the blessing that they were for us as a family and for the church. Our congregation is very encouraged for the teachings that were received and I take advantage to thank publicly all their attentions for us. May the Lord bless them greatly.

Thank you, dear brethren, for your faithful support in prayer and economically. May the Lord reward you and keep blessing you.

I ask your prayers because in these days past, our vehicle is not working. The cost is very expensive. Pleas pray for provision of God.
