Dear Pastor and Church:

Receive a warm greeting from the beautiful country of Costa Rica. By the grace of God we have started one more year. With it, new challenges and new goals.

In the month of January, together with other churches, we had a training in a camp imparted by **Pastor Jim Gardner** and **Missionary Marcos Mangas**. Really it was a tremendous blessing, because it has given us a new vision and helped us to have better organization in camp of such a way to be more effective in the objectives that we have. We know that we have a lot more to learn, but we give thanks for this new start.

The following week after the training we realized our teen camp. More than 6 churches were involved in the activity. It was tremendous to see what God is doing in the lives of the young people. Also we rejoice in seeing some surrender their lives to the Lord. Thanks to God, the camp didn't have any accidents.

On the other hand, my family and I went to Mexico to visit our relatives. Mainly for the reason that it was the first year that my stepfather had passed away. In that time, I wasn't able to go to the funeral. I thank God, in spite of being a difficult time, the Lord poured His grace over my mother and sisters. Also I was able to visit my in-laws as well. It was a blessing to be with them.

I take the opportunity to thank each pastor that received us in their church for their hospitality, for each affection during our stay in Mexico. I don't mention the names of each one because I don't want to make an error in omitting by mistake one of them. May the Lord bless you greatly.
