Dec-Feb 2019

Dear Supporting Friends,

Greetings from Grenada the land of spice where everything is nice, in Jesus Christ. Praise God from whom all blessings flow. The Lord has been good!!!

I was reading a devotional book sometime last month and was blessed by some statements the author mentioned... "Six days shalt thou labor and do all thy work" Exod 20:9. The author says that the main emphasis given to the fourth commandment is generally on the part that speaks about refraining from work on the Sabbath, but also an important part of the statement that says we are to work six days. This statement in the command needs more emphasis in our days of ease and pleasure practices. Our society continues to cut down on the time of work, they also cut down on the quality and quantity of work. Lord help us to work, for the night cometh when me work no more.

DECEMBER.....2018

God blessed us tremendously with food on our tables, clothes on our backs, shoes on our feet and shelter over our heads. Our Christmas program was a blast. The children and adult class performed and acted out the Christmas story well. Our international food competition was a success. The deaf students did a great job. Two persons were saved during our soul winning; one of them began attending church. Our old years night service was great, the young men all preached for ten minutes...one person got saved. The Heritage Independent Baptist church is building a wooden building for the believers worship. The Lord is using our people to give toward the building and also you many supporters who are helping prayerfully and financially

JANUARY...2019

Our new year started well thanking God for His blessings and giving us the opportunity to serve Him on the mission field. At our soul winning we have seen three persons saved, two of these persons are now attending church. Work continues on Heritage Independent Baptist church, though we had a small set back. It was great to have pastor Charles Hall with us giving Great Bible teachings and preaching.

I have officially turned the Maranatha Baptist Church to another pastor who studied at the Fair Heaven Baptist College and married a lady from our church.

I am now serving at the Heritage Independent Baptist Church, the fifth church the Lord use me to start. We now own the land and now almost finished building a temporary building. We were Happy to have pastor Tim Young from New York with us for the official organizing of Heritage Baptist Church and a week of gospel meetings under the tent. Twelve persons were saved. We enjoyed his preaching. We are now meeting for worship under the gospel tent for our Sunday worship and midweek bible study.

FEBRUARY.....2019

We say thanks to Pastor Josh Scheftlet, David Burell, Heritage Baptist church pastor Tim Young and Land Mark Baptist for your prayer and financial contributions toward the building of Heritage Baptist Church. Enclosed is a picture of the building without windows and doors. The doors and especially the security windows are very expensive. We have monies to do the electrical work but we need to raise another \$10,000 US to purchase the windows, doors paints and two bathroom fixtures. We are also going to fence the church property, because we had five steel columns stolen from the project. Enclosed is a picture of a drug woman whom I led the Lord last Sunday under the ten
