Nov 2024-April 2025

Dear Supporting Churches and Friends,

I greet you all in the name of the Lord. I am reminded in the Holy word. In Psalm 127:1-5. For a quick look in those verses. In all the affairs and business of the human race, even of the royal family, for Kings houses are no longer safe than while God protects them. We must depend upon God's blessings and not our own contrivance.....1..For the raising of a family. Except the build the house, by His providence and blessings, those who labor laboured in vain that build it Except the Lord keep the city from all harm and from the enemies, the watch man who goes on patrol does it in vain if God is not in it. Let's keep depending on God.

### NOVEMBER 2024

I have been in contact with some long time school mate for the purpose of Bible study and prayer. Many have been seeking spiritual help

Let me inject a brief thought here. Sorry for not my newsletter once a month or every two or three months. I must live and experience the months, instead of writing my newsletter in advance. However, here in Canada the ministry is busy

Will be heading back to Grenada in December 2024

Arrived safely here in Grenada. I got to hit the road doing soul winning and visiting the membership. Young as well as the elderly were very happy to see me and I was very happy to see and embrace them. We had a great old year's night service with great attendance. There were many professions of faith in Jesus Christ. Many made new year's commitments for 2025

### JANUARY 2025

As we got prepared for our annual new year's Bible conference, the Lord began to put in place people who wouldn't come to church. It was a pleasure to have three preachers from overseas to minister at the bible conference. The theme was Restoration and the main text taken from Galatian 6:1. Many believers were brought back to fellow with God and their fellow man. There were many saved during the nights of Revival. I have been working in two churches. Pray for the solid rock Baptist church. We are now fixing to interview a pastor for that church This little boy in the yellow shirt(picture) faithfully attend the solid rock baptist church, gave his life to Christ after bible study and prayer meeting

This young man in the red shirt got saved after i preached on salvation at Heritage baptist church. On my visit to the city, met these two ladies while paying my bills, come to find out, they are my cousins. they both got saved. One is wearing red stripe long sleeves, the other blue short sleeve
