Hello Praying Churches & Friends,

Praise the LORD, We are still here, Please Pray for Me. I have been having a lot of health problems. I'm not used to that, I've always been healthy and energetic. I have breathing problems and blood pressure. I had triple by-pass surgery four years ago, I thought I would just snap back, but it has not been that easy. I am a veteran and the VA lost my records three times and did not follow up, so I would get in bad shape fast.

MINISTRIES

Soul Winning
Preaching
Building:
Plumbing
Electric
Painting
Carpentry

I tried to do several jobs, they turned out real good but it took me so long because of my breathing problems, that they thought we had moved in to homestead.

But through it all, GOD has been good, He has never let me down. I hope you all are doing good, God Bless You.

Yours in CHRIST

Bro. Wayne Chapman
