Greetings from the Faith Baptist Church in Corinth Saint Lucia.

I am pleased to inform you that, by the Grace of God, we continue in our efforts to minister to our members and the wider community. In fact, about twenty (20) persons from our church and community undertook an intensive training, under the instruction of a qualified nurse, in the care for the elderly. This course was an eye-opener as it gave the participants the necessary skills to enable them to look after this vulnerable age group. (We have an aging population in both the church and wider community).

We are presently extending the church building as God has been bringing many people to worship with us, and we continue to work towards winning souls for our Lord and Saviour, Jesus Christ. A lot of work has been done thus far, and we thank the Lord for His guidance in this endeavor. We are still in need of funds and equipment for the new structure. We need approximately three hundred (300) chairs to accommodate the congregation as they listen to thus saith the Lord.

We continue to prayer for our members, visitors, nation and the world.

Church Extension Project
We were planning to host the Fundamental Baptist Caribbean Jubilee in Saint Lucia and all plans were in place for July 14th through July 21st, 2020. However, the activity had to be cancelled due to the uncertainty of the Corona virus (COVID19) pandemic, which has taken its toll on the entire world. The cancellation was effected after consultation with the president of the Fundamental Baptist Home Mission in the USA; as we felt that we ought not to unduly expose the delegates to such uncertainty and risk. Our small island currently has two imported cases of the COVID19 virus, and several persons have been placed in quarantine as a result of this. Our prayer is that God will continue to protect us all and to have mercy on our families, our countries, and on the world.

On January 8th, 2020 was my wife celebrated her 80th birthday and on January 13th, 2020 I celebrated by 75th birthday. We continue to thank the Lord for the privilege to serve Him. Please continue to remember us in your prayers; especially my wife, as heath wise she may okay one day then have two bad days.

I want to thank you for your most valued and needed support and prayers. If the Lord has laid in on your heart to assist us with the building project, please contact me at the following address:
