January 2021

To the saints and faithful brethren, Greetings!

Thank you for all you do for Angi and I, for the work of the mission board, and for our missionaries. I hope and pray that this letter finds you filled with joy for the New Year. We continue our journey running the race set before us, preaching the gospel to those who are lost. Praise God for all that has been accomplished! We are now moving forward with great expectation, believing that what the Lord has started, He will continue and finish.

We are still sending and taking bibles into all the world and many of those receiving a bible have also received the Lord Jesus as their Savior. While we were in Honduras in 2020, I was able to preach the gospel each day we were there; in schools and churches with many receiving Christ as Savior.

One particular day, we went to the Rescue Center where Bro. Samuel Amaya ministers. Afterwards, we loaded up the back of the truck with those at the rescue mission and went to church. That night I preached the gospel and God saved 5 of those precious souls. I pray that God will continue to bless them and that they will grow mightily in the Lord.

Some of our trips abroad were cancelled last year but we hope that this year, we will be able to travel to those areas of the world. We continue to travel in the US, preaching in missions conferences and churches, encouraging the brethren to continue in the faith.

Thank you to every one who sent Christmas cards and gifts. Angi and I love to read them. Thank you all for the prayers and support that you faithfully give.

### I ask for your prayers:

- That the Lord will continue to bless the work that he has called us to do
- and to continue to bless Fundamental Baptist Home Missions
- and that He will provide for my upcoming trips.

In Christ!

*Bro. Chip Stowe*
