To the Saints and Faithful Brethren, Greetings!

Thank you for all you do for Angi and I and for the work of the mission board. We continue the work that our Lord called us to, seeking the lost and preaching at home and the regions beyond.

We just returned from St. Vincent and it was a very productive time of preaching the Word, working with the kids, giving out Bibles, praying and witnessing to those in need. We held our FBHM Island Jubilee there this year. Bro. Donald Vincent hosted our trip on the island and I am very grateful to him an his church family for the kindness shown to us. We met many new friends there. Also, Bro. Timothy Mitchell and his wife Sypri-an were a great blessing to us as well.

There were 7 others from the US that were with us on this trip and it was a blessing to travel and serve the Lord together with them. Nine other mis-sionaries that serve in the Caribbean (including their wives and some of their children) joined us on St. Vincent as well. It was a blessed time of fellowship with the brethren. Twenty-two folks from FBHM were in-volved in this Jubilee. It was great to see and fellowship with them. They are truly shining examples of servants for the Lord!

We are now back home and preparing for our next journey and looking forward to where the Lord is going to send us. We are praying about sev-eral places on my heart that have great needs, areas of the world where there is no one preaching the gospel. Help us pray about this.

Thank you for your friendship, prayers, and faithful support! Thank you for your concern for the work of God.

In Christ!

Bro. Chip Stowe
