Greetings Saints and Faithful Brethren,

Let me say **Thank You** for all you do for the work at the mission board and for our missionaries.

As we know from the scriptures, "...It is more blessed to give than to receive." It is characteristic of our Lord. Loving to give, He has freely given us all things. Loving to give, He delights in the same character in His children, and seek that all participate. Whether it is out of abundance or necessity, all should be willing to give to save a lost and dying world.

I have been in many churches preaching and teaching about missions and presenting Faith Promise Giving. I have seen great results from it and have seen missions programs grow and be blessed. I would love to come to your church and share these truths.

Let me know if I can be of any service to you and your church and may our Lord continue to bless you and your work for Him.

God Bless you!

Bro. Chip Stowe
