Dear Faithful and Supporting Churches and Friends,

Thank you so much for your continued support of my wife and I. I would like to update you on my my wife and ask for your continued prayers for her.

Sylvia, as you know, has Parkinson's Disease. Last November 2023 Sylvia had a mini stroke. Praise the Lord there were no negative effects from that mini stroke. However, the last of November 2023, she fell and broke a bone in her foot. As of last month (April 2024), that bone has still not healed.

Sylvia took another fall in April and fell flat on her face. She broke her left wrist and also her right arm. She had surgery to put a plate in her wrist, but the doctors did not want to do surgery or feel the need to do surgery on her arm. She is currently healing from that break in a sling.

After six days in the hospital from that fall, she was transferred to a rehab nursing facility for rehabilitation of both arms. On Tuesday, May 14, she saw her doctor who has made an appointment for two weeks ahead and will determine how much more rehabilitation she will need.

Thank you again for your support and faithfulness, and for the prayers you have prayed for us, especially my wife.

There will be expenses that will be involved due to these issues. Please pray for this need to be met and continue to pray for my wife, and for me as I continue to be her caregiver.

Your Seryants for Christ,

Frank and Sylvia
