Worldwide Church Planters

Dean & Betty Crane

Hello to all our faith partners, preachers, and pastors,
We thank God for His marvelous provisions, His passion on us and you. Thank you for your prayers and continual support. It is so very important for God's Word to go forth in these last days.

INTERNATIONAL UPDATE:

We have just returned from El Salvador. We visited and worked with 2 missionaries in 2 cities who are doing a good work. We preached in the churches at night and went to schools during the day. Hundreds of kids heard the Word of God and responded.

Then also in the Philippines we again met and worked with pastors preaching in their churches and giving the Gospel to over 4,000 teachers and kids. The Lord is so gracious to us please continue in prayer.

WEST VIRGINIA UPDATE:

The churches in WV are struggling some what as some people have moved away but the work is going on. Thank you to all the churches who have stepped up and worked on the old buildings to get them in good shape.

New Mexico:

We were able to help start a new church in New Mexico with the Navajo Indians. We knocked on doors and helped with buildings. The work there has great potential as they have over 20 acres of land and many buildings with hundreds of people in the area to draw from. Please pray for this work.
