Dear pastor and church:

It is a pleasure to greet you desiring that the rich blessings of our God are being shed in your lives, families and ministries. Thanks to God because of Him and for Him are all the things. I want to thank you richly for your faithful support and prayers because while some fall and let the rope fall, you have been faithful. Our God at His time will reward each one of you. Hebrews 6:10. By the grace of God we keep on, not as we like because there are many obstacles and situations that area out of our control and we cannot express openly as we like. Somethings I feel bad because I cannot give open reports and constantly gives place of doubt of what is happening. On my part, I keep witnessing and doing the work that God has called me in each area that is possible. It is not the same as a national due to the immigration problem that every 90 days I am traveling to Costa Rica and then come back to get my new permission. I can only enter as a tourist and that limits me. It is difficult to get a residence because everything there is expenses and when I returned back this time, I only have 60% of my expenses. But thanks to God, He is faithful and in some form, He supplies what is necessary. If you have any questions, you can have the confidence to call my pastor. In January, he was here and personally I explained my situation and I ask that please explain those that have doubts.

I ask please your prayers for the work here, that God can give us of His grace and power. Christ will be exalted in everything. He can give us a heart for this people for Him. The harvest keeps being plentiful. May He can send workers to the harvest and supply the needed support so I can be more free. Also for the immigration situation, so I can obtain a residence.

Thank you much for all brethren. May our God keep blessing you and using your lives so the Great Commission be accomplished. Phillipians 4:19.
