Please Pray for the Destine Family

Missionaries in Haiti

April. 2025

Dear Prayer Friend, Pastor, Church, Brothers, Sisters, Friends and Partners,

Greetings to you from our Creator and our Father, and in the wonderful name of Jesus, our Lord and our Redeemer. I hope this letter will find you well in Jesus, in your mind and in your body too.

I want to thank you for all the sacrifices you have made by your prayers, your encouragements, your messages, your advices, and your faithful financial supports to make great and positive impacts in my family, in my ministry and in my life in Haiti. I want to let you know that in spite of what you see and hear from the news, thanks to your prayers and your supports, my family and I are steadfast to do what we know

God calls us to do. At the same time, I don't want anyone to overlook the fact that the political, economical situation of Haiti are the more and more chaotic with the gangs that are working in their trafficking, but by the grace of God, we keep spreading the GOSPEL in Haiti in all the ways we can. From what I read from the bible, and in history, there is nowhere I see great revival in all the Worldwide without problems, so it has not been easy, it is not easy and it won't be easy to preach the Gospel.

I want to praise God always to put you in my way, I thank God even my weakness, the situation of Haiti, we face difficulties, but praise God we don't have any rules from the Haitian government that prevent us from preaching the GOSPEL, to profess our belief. I can tell you that gangs are the tools that the devil is using in Haiti against us as the tied problem to the development of Haiti. Why do the gangs become targets of high-powered rifles in just one more symptom of a warped in the Haitian Country and society? Does God care? Is He interested in what is going on in Haiti? Yes !

For example when King Asa of Juda aligned himself with the king of Syria, instead of depending on God, the seer Hanani told him, *"For the eyes of the Lord run to and fro throughout the whole earth, to show Himself strong in the behalf of them whose heart is perfect toward Him"* (2 Chron. 16:9). Don't think for a moment God didn't see what was happening in Jerusalem, and don't think for a moment that God doesn't see what is happening in Haiti. Nothing escapes the eyes of God (Heb.4:13). It is not our place to question God, but it is our place to trust God. Rest assured, however, God sees what is going on in our lives 24 hours a day.

I have finished reading a book written by Dr. Robbie Horne, he is the pastor of First missionary Baptist church at Mabelvale, Arkansas, titled :"ROAD WARRIORS, LOCAL, Statewide, Worldwide". This book has been given to me by preacher Joey and Keith in a mission trip to Haiti. I discovered in this book, a man of God named Edward Kimball. He was a shoe store assistant. More of that, he was a Sunday School teacher in Chicago. What he did, he spent hours visiting street children in Chicago's inner city trying to win them to the Lord. I see that my ministry in Haiti is aligned to his ministry. Through Kimball's work, a young boy named D.L Moody was saved in 1858 and grew up to be a pastor, a preacher. In 1879, Moody led F.B. Meyer to the Lord. Meyer became a preacher and led J.W. Chapman to Christ. Chapman became a preacher and shared the Gospel of Jesus Christ to a baseball player named Billy Sunday. Can you imagine how many souls were saved? It starts with one person who is willing to share the gospel.

One seed may change the World. We may not live to see the fruits of our labor, but it is important to know that our labour is not in vain in the Lord (1 Cor. 15:58). I was saved when I was 9 years old in a VBS organized by some teachers in Bethany Baptist Church, I heard a Baptist message from a Baptist preacher named Clasius Pierre on Wednesday July 8,1982. I have heard about Jesus and gotten saved.

Already, under my ministry, little ones, young people, adults got saved and are growing in the Lord. My ministries have already sent missionaries to other countries, and several ones in different areas in Haiti such as pastor David Jean in the Dominican Republic, and my ministry supports 43 missionaries and leaders in world. Pastor Junes in an area named Platon Figuier in the mountain of Haiti. There, they cannot find water and sometimes, they go to church without washing their face. To baptize believers, they need to walk go and back more than 3 hours. You can see I am trying to help him to make a reservoir. Please, they are living in difficult situation. Whenever you want to add a missionary to your missionary list, please, think of those in Haiti. They really face difficulties but, they are faithful men. I am telling you.

This school year we have already started 2 Christian schools with 35 children each in Haiti and in the mountain, we have given them materials, food, uniforms and so on. I really want to be aligned to the man of God, Edward Kimball's ministry.

We have a bible Institute to train those God calls to do the work, thanks to pastor Keith as over sea Director who provides the books. Thank you especially to those who have already chosen to help us. This coming school year that will start in about 4 months, the needs push us to think about increasing our number to 70 in each school, to help the children and the communities in some manual professional skills like:

To grow their own food- how to sew- home electricity-how to set ceramic and so on.

Would you encourage someone else to join us in Haiti for this positive action in the children's lives to support us?

WHEN YOU INFLUENCE CHILDREN, YOU INFLUENCE THE FUTURE. WHEN YOU INTRODUCE THEM TO JESUS, YOU INFLUENCE THEIR ETERNITY. The children are the future of Haiti as they are for all the countries in the World.

Would you please consider joining us to make this positive impact by praying and supporting us, would you influence a child's eternity:

What to pray with us for?

- 1- Materials (books, uniforms, backpacks, pens, pencils for 140 children).
- 2- Food for 140.
- 3- Support for teachers.
- 4- Sewing machine and other materials for manual activities.
- 5- Building.

I can tell you in our schools and professional activities, the bible is the main subject and book. For example, when the children come in the morning we sing, read the bible, pray, have breakfast and go to class. They hear the word of God 7/7 by the teachers we train spiritually.

The same in the professional activities. The gospel is preached. If you invest in us, our children in school, in our teachers, in our professional team, you won't be ashamed.

If you have any question, I am open or contact our mission board, FBHM.

Your national Baptist missionary, Baptist church planter and Christian school planter, Haiti.
