Israel has ended the cease-fire and hostilities have resumed. I'm amazed how that nation has always lived under a siren, an alarm, a threat, or a caution of some kind.

I'm told that despite the hostilities many people are traveling to and from Israel EXCEPT tour groups (which this ministry will use) as they usually use hotels which are now being occupied by those displaced from the war. I have some friends who are traveling there but have alternate lodging available. Help us continue to pray for Israel!

In April, Lord willing, I will be in 5 churches and 1 Christian School and your prayers are appreciated!

Continue to pray for open doors and for missions conferences to come available. Eight churches sponsoring us at \$50 per month can send 1 preacher EVERY year to Israel (8 x \$50 x 12 months = \$4800.) I know that over 80 churches have been contacted already. If each of these were assisting?? We would already be preparing to send 10 preachers to the Holy Land!!!!

As promised I've included a picture of the new grand baby and also a pic taken of a local with his camel when we visited Jericho.

Bless u all

Psalm 48:

*12 Walk about Zion, and go round about her: tell the towers thereof.
13 Mark ye well her bulwarks, consider her palaces; that ye may tell it to the generation following.*
