Dear Fellow Laborers,

Thank you for your continued prayers for this ministry. It appears that we will be in a total of 5 different churches in March. 3 of those churches are Missions Conferences. We are praising the Lord for another church taking us on for monthly support as of this week as well!

I believe the Lord will allow us to send 20 Preachers to Israel next Summer without cost to themHelp us make this happen. Your prayer and your support makes a difference. We also have had more people show interest in paying their own way to accompany the group that is sent. This also helps us achieve our goal to connect preachers to Israel.

Please continue to pray for Israel. The whole world is watching Israel as everything with Hamas is playing out. Praying for peace according to Psalm 122:6-7 cannot be over emphasized. This should be on our "short list" anyway, but so much more when praying for a ministry like this one. Once things settle there we can send preachers!

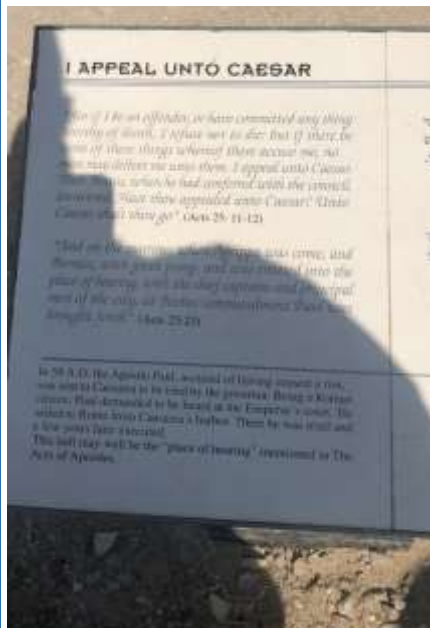

On a personal note, thank you for praying for the newest Elder family addition, Saylor-Marie Elder was born on March 13th to my son Seth and his wife Savannah. Baby and mom are both healthy and we are blessed. I will include pictures of her in the next letter.

Please continue to pray for open doors and God's continued hand upon us.

Psalm 48:12 Walk about Zion, and go round about her: tell the towers thereof. 13 Mark ye well her bulwarks, consider her palaces; that ye may tell it to the generation following.

Please let us know if you have a mission conference or special meeting!
