God bless you, my dear brethren and friends. I send you our greetings from the city of Santa Tecla, El Salvador. We give thanks to God for His faithfulness to His promises for each one of you because we recognize that for Him we keep on in this city with courage of keeping working and with the desire to do much more for the Lord.

Beloved, we want to report that we continue and increase little by little with the work in the labor in Santa Tecla. Thanks to God that other brethren have incorporated to the church and the work of winning the souls. In the last two weeks, your servant has taken to the feet of Christ 5 persons, of which we ask your prayers.

We keep sharing the Word of God in the parks and also with food, also in the hospital of Santa Tecla. In the month of June, we started a work in a new route in the city of Versalles, in which we have met in a house of a sister and we already had 7 visits.

My beloved, our requests and needs in the work are: for a property for the church, a microbus for the routes and for provision for my family. Thank you much, my brethren for your prayers and your financial support. My family and your servant are very highly grateful.

Acts 13:21

God bless you!
