God bless you:

We are grateful for your faithfulness in praying for us and supporting during this time, thank you. We want to give information about the mission agency, Fundamental Baptist Home Missions, Inc. They will be the ones picking up our funds from now on. The Hispanic Director of the agency is Pastor Ernesto Andrade which can be contacted at (773) 859-0897. He can clarify any doubts or questions. The mailing address is provided in the bottom left hand corner of this letter.

The mission agency, Misionera Betania, for some reason or personal motives have left receiving our financial support. Now I have contacted you to give you the new information where you can send it now.

These months of absence, we have kept on with the work in Vivistorio, Copan, Honduras. Thanks to the Lord for His provision of my children, Moises and Rebeca. They keep studying. Pray for them. My wife Olga keep battling with her diabetes and I also with cholesterol and triglycerides. Pray for our health.

The church keeps on. For the moment, they are running the work in my absence. The construction of pastoral home keeps on. If you are interested in helping us finish such project, let me know. In advance, God bless you for your interest in helping.

Again, I thank you for supporting us in our needs as well in the material and spiritual. My family and I are happy of which God has done until today through us. We keep on and trusting that the Lord of which we serve can keep on providing our needs, which is support, health and the power to witness and feed the flock of the Lord in Honduras.
