## Establishing Independent Fundamental Baptist Churches in Honduras

Dear Pastor and Church:

We are very grateful because God has been good with us in the times of difficulties, in painful moments, and good and bad days. He always shows His greatness and faithfulness. We thank you for supporting us with your offerings and prayers in favor of us. We know that serving God is a privilege and we want to reach more Hondurans for Christ.

During the month of August, we have had good attendance in the services. The people is very consistent in each meeting. We have had visitors. We are praying so God can have mercy upon them. We have interest in preparing men and women so they can be good Christians now and in the future. We want them to have strong convictions about their faith.

In **August**, we had the opportunity to take our young people to the city of Santa Rosa. The Iglesia Bautista of Pastor Edgardo invited us to have fellowship with them. Our young people sang a special, participated in games, heard the Word of God and had a good time of fellowship with other young people. Pray so God can use them and they can make a change in their lives. The majority of our young people come by themselves to church because their parents are not saved and can even deny them to come to church or discourage them. That is what has happened in the route of Delicias. It is sad how the people want to take advantage of the church and put on the side the spiritual things that are of mayor importance. We are saving so some of them can go to camp so God can called them to the ministry, but they need someone to support them.

We are very joyful to see how God has used my son Moises. During the month of **August**, he was invited to preach in a wedding. He had the privilege to preach and direct the service in the absence of Pastor Heber in the church, where he is an assistant pastor. Pray for him and his fiancée Madelyn so God can use them in a great way in the future.

**About the repairs of our family vehicle**, it is with the mechanic. Thanks to God we already have **35% of the money** to fix it. We trust in the Lord to provide to pay for the reconstruction. If you like to help, it will be of great blessing for the ministry because we also use it to take people to church. Keep praying for us. God bless you.

### Prayer Requests:

1. *Pray for the **construction and to finish our bathrooms**. We are saving money to buy the floor and also the tank.*
2. *Pray for **souls saved, new converts and baptisms**. Also pray for the new route that we are praying and to see how we can do with the transportation.*
3. *Pray for the **health of my wife and also for my health**. I am affected with the urinal acid.*
4. *Keep praying for **our finances** because we have expenses during the month.*
5. *Pray for the provision of God for the **repairs of our van**.*

**Pictures:** 1. Night of corn on the grill 2. Lord's Supper 3. Sunday School 4. Bathrooms

*Psalm 138:8, "The Lord will perfect that which concerned me: thy mercy, O Lord, endureth for ever; forsake not the works of thine own hands."*
