Dear Co-Laborers in Christ,

Greetings once again in the precious name of our Savior! We want to thank each of you for your prayers and for those of you that faithfully support us each month.

We started up our Sunday school program the beginning of September. It has been so good to see “our kiddos” once again. A few moved away during the pandemic, as well as some of our teachers. Hence, we decided to have all the children in one class. Several new children have started attending. Eight children have prayed to place their faith in Jesus for salvation. Omar and Joselyn have a special place in our hearts as their father passed away a few months ago. We are glad they are seeking the Lord during their time of loss.

My wife also started a monthly ladies meeting in September. It’s mainly a time of fellowship and prayer. The majority of the ladies in our church have un-saved husbands and need a lot of encouragement and support.

Manuel and his wife Mima have attended our church for about three years, though Manuel has never committed his life to Christ. They were married in a civil ceremony over 50 years ago, but Mima always dreamed of having a church ceremony and saying their vows, which is something that is not done here in a civil ceremony. Manuel always rejected the idea until recently when his wife started having major health problems. One Saturday afternoon Manuel called me and told me they wanted to get married the following afternoon. We are praying Manuel allows God to work in his life and places his faith and trust in Jesus Christ. On several occasions I have shared God’s plan of salvation with him. He cries and listens very attentively, but for some reason does not want to give God an opportunity in his life just yet.

We finished the retaining wall along the back side of the church property. The new owner of the house we have rented for nearly 11 years would like us to move out by the end of the year. We will be starting to build a metal shed on the church property so we will at least have a roof over our heads before the start of the rainy season. If any of you would like to contribute to that project, donations can be made through our mission board earmarked for our church building.

May the Lord richly bless each of you and fill you with His peace!

Sincerely,

Napoleon & Esther Flores
