Dear Co-Laborers in Christ,

Greetings once again in the precious name of our Lord Jesus Christ. We want to thank you for your faithful support. We can only say that God is good and that his mercy is everlasting.

December was a month bustling with activities. In the midst of the activities, however, we took time to reflect upon the grace of God we have experienced in our lives and ministry.

We continue to work with the neighborhood children around the church. Please pray God provides more workers to help with this ministry. Many of the children we started with are now entering their teen years and are eagerly attending our youth activities. We pray they will be rescued from the clutches of Satan’s powers before they fall into drugs, alcohol and gangs.

Please pray for my mother. About two weeks ago she stumbled and fell into a creek bed on the way home from church. She fractures her shoulder and has been in great pain. We are grateful that she did not suffer any other injuries in the fall.

Brother Ronny Cruz, our church bus driver, also suffered an accident last week while working. He was on his motorcycle and was struck from behind by a delivery truck. He suffered internal injuries and his left arm was severely fractured and broken in four places. He had surgery to repair the fractures, but is still dealing with internal injuries. God’s hand of protection was clearly seen as it was a miracle that more damage was not done.

In February we have a special couple’s banquet planned with the hopes that many of our ladies’ husbands will attend and hear the Word of God.

Thank you once again for your prayers and support. May the Lord richly multiply his blessings in your lives!

Sincerely,

Napoleon & Esther Flores

My mother has had to learn to do everything with her left hand.
