*"Behold, the Lord's hand is not shortened, that it cannot save;  
neither his ear heavy, that it cannot hear."*

**Isaiah 59:1**

Praise the LORD! Fundamental Baptist Home Missions is in its 37th year. I am amazed at all that He has done, continues to do and thrilled that He lets us have a part in His work. As His return draws nigh, His mercy endures and His hand is not shortened. He continues to do His work.

In the last year, we have added a couple new missionary families and we are praying with a couple more families regarding the Lord's leading. We now have 117 families working through the board and we are now on 6 continents. (we currently do not have anyone serving in Australia and would love to see the Lord use FBHM on that continent as well) We have many exciting works and projects going on all over this globe.

I thank God for the missionaries that serve with Fundamental Baptist Home Missions. I can truly say that they have given their lives for the Lord...to win the lost...to carry out the Great Commission. I thank God for those that have chosen to join them in the place of prayer and with the financial support that is needed. I am thrilled and amazed every time that I see God lay it on someone's heart to meet a need.

I have been in many churches preaching and teaching about missions and presenting Faith Promise Giving. I have seen great results from it and have seen missions programs and churches grow and be blessed. I would love to come to your church and share these truths. If you have a specific field that your church is interested in learning about, let me know.

Let me know if I can be of any service to you and your church and may our Lord continue to bless you and your work for Him.

God Bless You!

Plans for our 37th Annual Jubilee are underway. The Jubilee will be held the last full week of July, the 22nd—26th.

This year it will be hosted by Heaven Bound Baptist Church in Bessemer City, NC and the meals will be served at the fellowship building of the First Baptist Church in Bessemer City.

Please put this on your schedule so you won't miss the great preaching, teaching, singing, and fellowship.

The information, flyer, and schedule will be mailed to you as soon as I have them completed. We look forward to seeing you all there!

God Bless You All!  
*Bro. Chip*

## FIELD DIRECTOR

Jack Stewart

As usual, activities have picked up around the mission board as we start to prepare for our 37th Annual Jubilee. The dates for the Jubilee are July 22nd—26th. Place these dates on your calendars and plan to visit us during this time. You will hear great preaching and meet some of our missionaries and hear about the work they are doing for our Lord. If you would like to have one of our missionaries visit your church while they are here, please contact me at the mission board.

The **Mawuli Christmas Bag Project** was a great success this past year. Bro. Mawuli received the 28 barrels containing 1061 Christmas Bags on December 18th. He started his distribution on December 23rd and finished on December 30th. In his report, they served 8 new locations. One of which was an orphanage that had contacted him and expressed some needs they had for their children. On Christmas Day, 29 orphans were gathered in a field in front of the orphanage. He gave each a Christmas Bag. The picture below is

of that gathering. He would like to find a way to help them and has sent me a list of items needed and the ages of the girls and boys at the home. If any church or individual would like to help in this effort, please contact me at the mission board.

To all the churches and individuals who helped last year, a great **BIG Thank You.**

Your continued prayers and support for the mission board and our missionaries is greatly appreciated. We thank the Lord for your faithfulness and willingness to be a help to us. May God continue to bless you.

## DIRECTOR OF CENTRAL AND SO. AMERICA AND MEXICO

Ernesto, Yuli, Aaron & Keila

It is a blessing to greet you again and thank you for being part of missions through FBHM. I hope that everyone had a wonderful Christmas and started well in this New Year 2019. Many things have happened in our ministries. I just wanted to share some of the blessings and also some needs of missionaries in Central America!

In our ministry in North Wilkesboro, NC, Iglesia Bautista Gracia, we are seeing how the Lord is working and blessing us. We started having a ladies Bible Study. My wife is giving this study once a month. It is a blessing for our ladies and a time of fellowship. Also God blessed us with a missionary daughter from Honduras. She got married in our area and now with her husband are attending our church. She taught music in her country and now she started teaching voice, violin and piano classes in our church. It is important to have the right music that honors God. It is once every two weeks on Saturday morning. After the class, we go out soul winning. It is a blessing to have as many opportunities for our church so they can be a witness for the Lord.

In April, we are having an attendance campaign. Our goal is to have 110 in attendance each Sunday morning. It is a way to encourage our people to bring others to church to hear the Gospel and accept Christ. Our church is excited, please pray so this can be possible.

On the other hand, I wanted to share some good news of some missionaries and what they are doing for the Lord in their fields. Missionary Axil Urbina in Tela, Honduras goes into the schools and other public offices, like the firemen station, to give out Bibles and give out the Gospel. He has seen many open their hearts to Jesus. Also we have Missionary Hugo Santos in Guatemala also going out soul winning and people are accepting Christ. He is going to poor areas and difficult areas but the Gospel needs to be given in every corner of the world. They recently moved to a new location and this has helped them to have more people coming to church.

Also, we had mentioned that we were going to Panama on a mission trip this May. Sadly, we had to cancel the trip. Please pray for Missionary Juan Robles in Bocas del Toro, Panama. He has some skin problems plus he is having some neck and back problems. He needs to have surgery in Mexico which the cost is \$5,200 US dollars. His sending church will send a family temporary while he and his family go back to

Mexico so he can have the surgery. When he is recovered, then they will return back to Panama to keep serving the Lord. Please pray and if you can help this man of God, please do. We are praying so we can go next year.

Also Missionary Hugo Santos in Guatemala needs a new vehicle to move around for soul winning and pick up people for church. The cost is \$4,000 US dollars. If you can help, it will be a great investment.

I appreciate all you do for the Lord through missions and FBHM. Thank you for your time in praying for us and the missionaries!!!

## Director of INDIA and THE PHILIPPINES

Fain & Shelby Morrison

I have known this man in the Philippines for 10 years. He is a faithful member of the church at Amacalan. I have noticed what a hard worker he is. His Pastor, Jess Cawili, told me that whatever work was needed he could count on Eng.

I was able for the first time to visit his house. Brother Eng, his wife, and his three sons lived in a shack with a dirt floor that looked no better than a chicken coup. I and

the two American pastors that I took with me wanted to help this family. Each of us and our respective churches gave a total of \$2,500.00 to build this family a better house. The new house was constructed around the old house so they could have somewhere to live during construction.

The new house is three times as big and has a concrete floor. It is a testimony to all his neighbors, friends, and church members, testifying of God's faithfulness to His faithful children.

## DIRECTOR of AFRICA

Keith & Bea Phelps

I'm glad God promised in Genesis 8:22 *"While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease."*

That means for us, after every winter time, there will always be a Spring Time! Daniel 2:21 states that *"He changeth the times and the season"*. I love this time of year watching new life come forth and seeing the Hand of God working in Nature! I also love to see God do a new work in the hearts of men!

Please pray for us as we are preparing to travel to Ghana and Togo, West Africa in April to work with our FBHM missionaries there. We will be having our **9<sup>th</sup> Annual Bible Believers Conference** in northern Ghana and we will be doing some evangelistic preaching in some villages and visiting 3 of the Bible Training Center for Pastors schools that we helped get established last year!

God is really working in West Africa! Many souls are being saved every week, new churches are being established and God called preachers are being trained properly in God's Word! Sure, there are struggles every day and there are many needs that the local missionaries have, but God is Faithful! All these national missionaries are learning day by day to apply 2 Timothy 2:3 to their lives and ministry – *"Thou therefore endure hardness, as a good soldier of Jesus Christ."* Amen!

God's Word says in Isaiah 61:11 *"For as the earth bringeth forth her bud, and as the garden causeth the things that are sown in it to spring forth; so the Lord GOD will cause righteousness and praise to spring forth before all the nations."* Hallelujah!

God bless, *Keith Phelps*

## SECRETARIES of FBHM

Marie, Lucille, Angi

We are well into a busy year. Praise God that we can say "business is good!" The Father's business that is. Praise the Lord that His Work continues which keeps us all busy here at the mission board office. New missionaries continue to be added to the board and our existing missionaries continue to add new works

to their ministries...therefore our work load continues to grow. It is such a blessing to be a part of this work and to get to see firsthand how the LORD supplies for all the needs and works and projects that are presented.

We are all so thankful for all of the love, prayers, & support that you give the Secretaries of FBHM, we could not do what we do without you. If you do not currently support us, we ask that you prayerfully consider making us a part of your mission family.

God Bless you all & we hope you have a Blessed and Busy 2019!

*Let them give glory unto the LORD, and declare his praise in the islands. Isaiah 42:12*

Well it looks like Spring here. I love this time of year as plants are starting to come back to life. New growth is everywhere with its promise of a harvest. We have been getting reports from many of our men of what God is doing there where they serve.

Brother Timothy Mitchell is in the middle of a 4-week tent meeting in Bequia working with another missionary there.

They have already had two weeks in his area; now they are in the southern end of the Island for two more weeks. People are getting saved and lives are being changed.

I received some new pictures from Brother Jeremy Scott recently of the new Church in Chantimelle. They have the digging done. They are bending rebar for the columns and beams. This work is going on now to start getting the building up and in use.

Last month Missionary Iliobert Destine messaged me to ask for prayer about the rioting in the streets there. He was unable to have services for a week or more for fear of being attacked. Please pray for the country of Haiti and our brothers and sisters there.

Brother Denis Celestine is also building the new Church in Chocolate City in Grenada. I know the grading work has been done and they were getting ready to start the foundation.

Brother Presley Felix has finished the first phase of their building.

Anchor Baptist Church.

Many of our men are in the process of building or expanding their buildings. Please keep each one of them lifted up as they serve God in their place.

In closing, let me say again we are thankful to be a part of your Mission outreach *"Declaring His praise in the islands"*. May this be the best year yet.
