Preaching, Teaching and Carrying the Great Commission

Appreciated Pastor and Church:

That my good God shed over you His rich and abundant blessings. It is a pleasure to share with you, who are our co-laborers in prayer, the last news related with our family and ministry.

The team traveled on February 20th to the town of Tuito, in the state of Jalisco to support Pastor Javier de la Rosa, with the start of a church in this area. It was 10 weeks of Evangelism without interruption, taking the good news of salvation to the unconverted and discipleship to the new believers. By the grace of God, Sunday, April 28th, we finished this Evangelistic effort with a big day, with the attendance of 140 at the church. The majority of them had been already present in some of the services and others came for the first time. We give thanks to God for letting us be part in the start of new churches. We thank Pastor Javier and the Iglesia Cristiana Bautista for their attentions, opening their doors of their homes and letting us serve together with them.

The first week of April, my wife had the opportunity to share the Gospel with Mr. Cirilo and Mrs Juana. They are a older couple that recently came to Texas from Zacatecas, Mexico. When my wife knocked at the door of the apartment where they lived, Mr. Cirilo was laying in bed, for his bad health. My wife introduced herself and ask for the opportunity to pray for them. Thanks to God they yielded and also was able to preach to them the message of the Gospel. My wife offered to take them to church the following day and thanks to God they both came. From that Sunday, they have been coming without interruption. Some days ago we visited them and gave us joy to hear what God is doing in their lives through the Word of God that is preached in the church. For me it is a special blessing to see new believers grow and get in love with their Saviour.

Since last year, my children have been taking piano classes with a sister that is an excellent pianist. Since we knew that this sister was going to be teaching, my wife and I wanted my children to take classes with her. We were not sure because we didn't count with the necessary resources. Thanks to God a young lady that knows my children and is actually presenting military service in the United States in a base in Germany, one day called and asked my wife if she could do something for my children. My wife mentioned the desire that we had for them to take piano classes and she with much joy yielded to pay these classes. We are very grateful with God because He supplied our needs in a way that we didn't even think about and for the people that are willing to be used by God for being a blessing.

Lastly, I want to thank you for your prayers and your offerings. Thanks for supporting our ministry and for that way it can be possible to continue on with the work that God has commended us.

Prayer requests:

1. For the grace of God in our lives.
2. For the spiritual growth of my children.
3. For our trips and co-laborers of the ministry: Jesus Martinez, Eduardo Chavez, Antonio Cortes and family and Mary Espinosa.
4. For the churches that we have started.
5. For financial provision, we need to increase our support.
