Appreciated Pastor and Church:

Like always with joy we come to your through this means to put to you what the last news related with my family and ministry.

First baptisms in the Iglesia Bautista Calvario:
On Sunday March 10, three brethren decided to obey God in baptisms. Sister Ileana who recently started to attend the church. She had been saved years ago but never had the opportunity to get baptized. Now in our church, finally she decided to take this step of obedience. We are very happy for her. As well together with my wife, we are very grateful with God for the decision of my two oldest children, Priscila and Benjamin. About a year ago they had expressed their desire to be baptized. After talking to them and see that they were convinced of being saved, we gave them permission for both to get baptized. It is a motive of gratitude and praise to our God because they have responded in a positive way to the Word of God and the work of the Holy Spirit in their hearts.

New believers:
Wilmer and Adela are a young couple that came from Honduras, the nephew of Wilmer, Milton, young person of 11 years old, live with them. For the month of March that have attended faithfully to church each Sunday. I hadn't talked to them personally. Last Sunday, I visited them in their house and share the Gospel. This time it served to re-enforced what God had been doing in their hearts, since they started hearing the preaching in church. Thanks to God they were convinced of their need to make Christ the Saviour of their lives.

Services cancelled by Coronovirus:
Like the majority of the Baptist churches globally, we have been forced to cancel our regular services in the church. We maintain in communication, doing it with the use of technology, with the members of the church. Last week, Sister Ileana share with me much that she desire to come and meet in church again. Her words were the following, “WE already need it” speaking about her and all her family. This is the feeling of the majority of the brethren. This situation that we are living has helped us to value many things that we count just a custom, and one of them is coming to church.

The “Advance Team Mexico” in Amayuca, Morales, Mexico:
Our team of evangelists are serving together with Pastor Daniel Fernandez to help start a Baptist church in this community of the state of Morales, Mexico. The team worked during four weeks, from February 25 to March 22. They preached the Gospel door by door and also disciple new believers. The fruit of their laborers are the following: 348 people heard the Gospel in a personal way, among all of them 160 accepted the salvation of God to put their faith in Christ and 15 people visited the church, some in a constant way and others in more than two occasions. WE thank brothers Jesus Martinez and Eduardo Chavez to be responsible of these trips in my absence.

Only it leaves me to say good bye, but not before to thank you for your prayers and your offerings. Thank you, the Gospel is being preached, churches are being started and we are influencing and training men of God to do the work of God.

For the cause of Christ,
Azael Garcia
