Garcia Family

Missionaries in the mountain of Guerrero, Mexico

Dear brethren,

Dear brethren and pastors, I want to say something very special about serving God in this place of the mountain. In this place there are many Catholic traditions in different places and many religious sects. It is rooted but we feel joyful because many people without Christ are accepting Him as their personal Saviour.

We are winning souls. In the personal, these 2 months we have won 18 souls for Christ and to Him be the glory. Amen. On Sundays, we go to preach in a mission in Tlaxochapa, municipal of Atlixac and we are praying for a temple in this place, measurements of 15 meters long and 8 meters wide. Such construction we cannot do it by ourselves. We need the hand of God in the hearts of other brethren so they can support us for this project.

We ask to keep praying for us in this place and the work of God. We hope that God use you in your churches and be use for His honor and glory. Thanks for your help for the hearing aids. They have been of much help and the car is being used to preach in such place mentioned.

Pray much for us and my family so we can keep on.

***Your brother in Christ Jesus
