January 2020

Dear Brethren:

I greet you desiring the blessings of God over your lives this year 2020.

We are very happy for the privilege to know God and be able to serve Him. This year we realize 10 years from the start of this mission work in Izucar de Matamoros, Puebla, Mexico. We are working under the theme "**Steadfast and Unmovable**" of First Corinthians 15:58. We want to celebrate it as we started, with an evangelistic campaign each month, separate from the regular days of evangelism which are Mondays and Saturdays of each week in Izucar and the rest of the days in different towns. We started the year with our mission conference and family camp. We had preaching of Missionary Pedro Duke, Missionary Gabriel Villar, Missionary Daniel Fernandez, Missionary Gerardo Nino and my son Abner Samuel Garcia. As a result we had 2 people that made profession of faith, 4 called and increased our Faith Promise to support to missionaries with more than \$500 pesos monthly. God used them greatly.

For February 14 to 16, we will have the theme of **Bible Prophecy**. In March, we will have **Friend's Day** like each year, April 7-11 we will have our young people go to Atlacomulco, state of Mexico to a camp and 23 to 26 we will have our evangelistic campaign reaching the children. On May 7 to 8, we will celebrate our family conference with Pastor Oscar Galvan and our 25 wedding anniversary. In June 19-21, we will have men conference. In the month of July, we will have teen conference "**Shining Stars**" here in Izucar de Matamoros.

In what we did in the last months of the year like I mentioned: we visited towns of Tilapa, Colucan and Rancho del Pitayo in where we disciplined various families. We have been evangelizing and people of these places have been saved. Also we are working with putting up columns of "Ocotate" (similar to bamboo) to cover us from the cold and wind in the services because thanks to God we are under roof but in open air. We are praying this year for the provision to pay the property.

We ask your prayers to be able to enter into the towns around Izucar because the insecurity has increased. Each week we hear of homicides. We have been threatened already not to enter into those places.

Thank you much so we can do the work in these places. We desire that God keep using you and prospering you in HIs will this year. God bless you.

I Corinthians 15:58

In the love of Christ and for His glory,
