May - July 2020

Pastor and Church:

Greetings from Huehuetenango, Guatemala, from my family and your servant. A great hug from a distance.

Month of May the month of Mother's:

The month of May by the grace of God we were able to be a blessing to some mothers motivated with the Word of God. Many mothers we were able to take them their breakfast for being the month of the Mothers but the most important like always to take the advantage of presenting the Gospel.

May and June: we were not able to have service due to the pandemic but always soul winning in where we could have the opportunities.

With the children, we didn't stop working with them. Each Saturday we gave them papers of Biblical crafts and when they give us their work, we give them their juice and cookies in exchange. Many we gave them bags of food. The children were happy. Many of them don't live with their fathers due to having marriage problems.

Saved: We soul win through telephone calls and some we were able to witness personally with using face masks.

Transmission: We transmitted on Wednesdays and Sundays 6:00am devotional and Sundays two preachings but specially we preached in dialect through FaceBook and YouTube.

Needs: Your support in prayer for my family and for your servant to be able to preach with health and wisdom from the Word of God. We invite you to be part of many children and needy families. We will be taking food to the ones that really need it.

Thanks: Thanks for your prayers, support and for the churches like you that love the missionary work. Thanks for not forgetting your missionaries in the field.
