

Pastor and Church - Greetings from the mission field

Report of our work:

1. Winning of souls: To God be the glory. WE have seen people saved and visitors into the church. You form part of these blessings.
2. Temporal auditorium: Glory to God in these three months, we were able to fix better our temporal auditorium. WE put concrete floors and put laminated roof. Next time, we are going to be the walls.
3. Pro temple: We ask your support in buying the property that are 4 ropes which is 1,964 square meters. For 7 years, we have been paying it. For 6 years, we had a goal of \$90,000 dollars, which is about 600,000 Quetzales, Guatemala money. One thousand thanks for those that form part with us. What we could, we did. What we cannot, God knows the reason. It is my duty to inform you with clarity the blessings that God let us have with each one of you from your servant. For the moment, we haven't been able to get the goal and the term to pay the loan is about to finish. So we have the need to sell one rope. Our prayer is to negotiate in a just price and so God willing in our next reports we can clear the debt with a zero balance. Now according to the value of the property, definitely we have already got three ropes. So selling one rope approximately, can cover what is lacking to pay the commitments. Pastors, churches, friend, brethren, and Guatemalans and in different places, one thousand thanks for loving the missionary work, especially the Sontag family, They were the family that God used and they lend us the economy to buy the property with zero interest. One thousand thanks to them. God bless you always and always we will have you in our hearts. So we ask your prayers so God can give us wisdom to make prudent decisions.

We have 14 children that are in critical situations, among them 3 orphans, plus 2 widows and 2 handicaps. We are sharing a meal and a small bag of personal items but the most important to God be the glory. They heard the Word of God and 10 were saved.
