Missionary in Tosca Honduras, CA

April 2019

Beloved brethren, we give thanks to the Lord for giving us the opportunity to greet you through this means desiring success in your daily labors desiring that the peace of God be in the heart of each one of you. We greet you in the love of Christ.

Appreciated brethren in Christ, we want to thank the Lord for all His goodness and His great mercies. I want to thank you that form part of the missionary work in the fields of Honduras.

Thanks to the Lord and your prayers. We keep on like always in the middle of battles and trials. We keep on with the help of our Heavenly Father which give us strength to be able to support the afflictions that come daily to our daily living.

Like you know, brethren, we are working here in Sonaguera, Colon in two works with the help of God that give us the strength to work in the work, in the place called "El Corral." The church is Iglesia Bautista Fundamental. The attendance is low due to transportation. Some of the brethren live far away and they are people of low resources. Right now we have a motor taxi that brings people to church. We pay each month \$125 dollars. We ask that you help us to pray for a means of transportation. We ask for a projector so we can put hymns in the screen. The brethren don't have hymnbooks. So we ask you to pray for this need.

Thanks to the brethren that with much love came and install a water purifier of which has been of much blessing and a help to the community. We have seen people be motivated to come to church. Thanks for this act of love. WE take you in our prayers and may God shed blessings in your lives.

With respect to the work in the mountain, the brethren are very happy because the temple is almost complete. I want to thank each of you that collaborated. The brethren are very happy. There is place where people can praise the name of the Lord. This hasn't been in vain. Satan hasn't ben happy because since we started, he has tried to stop it. One more time the motorcycle has been ruined, the one that I travel to the mountain. The Lord has saved us from death. One time the breaks didn't work while I was going down the mountain but the Lord guided me and protected me. There has been many times that things haven't gone well but our Lord is on our side.

Thanks brethren for all the support given to see my dream be realized which is the house of God here in the mountain. I ask that you pray for more chairs here in the work of the mountain. Thanks for the support in the spiritual and your prayers. Your prayers is what maintain us with encouragement. First God and your prayers is what always help us keep on.

I want to ask prayer for the health of my family - my wife and my daughter because lately they have been sick. Don't forget that here in Honduras there is family that pray for you inspite that we don't know some of you. May God multiply what you invested in the work that is being done here in Honduras.

We ask your prayers for the Andrade family, for my pastor, Josue Andrade and for the health of his wife, Nidia, and each of his children. May God watch over them wherever they are. We love you, Andrade family.

Thanks and we take you always in our prayers and don't forget brethren that your work in the Lord is not in vain. One day, God will reward you greatly for your labor.

God bless you today, tomorrow and forever.

Prayer requests:

1. For a means of transportation.
2. For a projector.
3. For the health of my family.
4. For my pastor and his family.
