September 2023

I greet you, beloved brethren, in the Lord. My desire that you are well and always prospering in the work of the Lord and that the peace of Christ be with you each day in the ministry. Receive a strong hug in the peace that is in Christ Jesus.

The motive to write to you is to let you know what God is doing through us here in Honduras.

I ask your prayers for the work in Sonaguera, Colon. We have a lower attendance of brethren due to the reason that the vehicle is in bad state and we don't have the sufficient funds to fix it. I just ask your prayers so God can maintain His work here in this place of Sonaguera. Sometimes it is difficult because I need to use my motorcycle as transportation for some brethren but thanks to the Lord that He always has us standing in His work.

In the work of Tosca, we have had two converts and three baby presentations and thanks to the Lord that some children that were in Sunday School, now they have grown and are teenagers. They keep encouraged in serving the Lord with all their strength. The children of Sunday School are the fundamental base for the work. I am happy that one family had departed from church and thanks to God that they returned and are well motivated serving the Lord.

I ask your prayers because we have need of chairs in the church. We want to buy 20 chairs and the cost is of \$250 dollars. We need to polish the church inside and the cost is \$200 dollars. We also have a big need. We need to build another Sunday School room. We already have the wood but we need a total of \$1,500 dollars for the rest of the material.

In the work of Politron, the brethren are happy. The Lord has been good. Glory to God that the work hasn't stopped. Adults and children keep coming and motivated to serve the Lord. We have a Sunday School teacher that God has provided to work with the children. Her name is Areli Cruz. We have the need to finish to polish the church here also. The cost is \$150 dollars.

Beloved brethren, I ask prayer for my family. My three oldest children have grown. They help me a lot in the work and my wife is a strong woman that always is there to support us. My oldest son is 15 and my oldest daughter is 13. I ask that you help us pray so God can provide a small property so we can build a house. I feel bad because we don't have our own place. There is a property that is being sold. The measurement is 13x22 square feet. It has a value of \$1,800 dollars. I thank you in advance for all your financial support toward my family.

Brethren, it is not easy to have to work in three churches and a family that God has given me. I feel that my strength gets weak but God helps me keep on. Thanks for all your love toward us. We love you in the Lord.
