February 2024

Greetings in the blessed name of our Lord and Saviour Jesus Christ.
Psalm 127:1-2

Beloved, I write to inform you a little of what God is doing here in *Honduras*.

I want to thank you for your financial support in all this year 2023 that with much happiness you didn't stop to send it. Thanks to God and your support, we are on our feet. I only ask of your prayers so He can provide more willing workers because the weight of the ministry in my life is very strong.

We are in charge of four churches, Brethren, I ask that you pray for me more and more.

I need a vehicle because the church's vehicle is very bad and the mechanics recommend to better change the motor. The cost of the motor is \$3,000 to repair the bus. The truth is that we need it to mobilize the brethren to the different works.

Also I need to fix my motorcycle of which I travel to the mountain. I need to do the change of tires and change of timing chain. The cost is \$300 to do this maintenance. I ask your prayers so God can give me the strength each day due to the departure to heaven of my brother Carlos Gomez. On December 18, he was called to the presence of God. It hasn't been easy, brethren, this process but God gives the strength each day to keep battling.

In the *church of Corral*, we need to put down new floor because the old one got damaged. The value is \$2,000 to put a new floor.

In the *church of Tosca*, we need a Sunday School room. We already have \$1,000. We need \$2,000 to finish the construction of the Sunday School room.

As a family, we have a need of \$1,500 for my health, my wife's health and my children's health. Thanks for praying for us and for your support.

I leave you with a strong hug from the distance. We appreciate you in the name of the Lord Jesus Christ.
