April 2025

I write this humble letter to inform you about what God is doing in Honduras with your servants, Gomez Nuñez family. I want to thank each of you for your faithfulness with your missionary offerings that faithfully you give each month.

I ask of your prayers because lately, the enemy has risen very strong against what we are doing for God. Beloved brethren, the enemy is not happy with the four works that we have in charge. That is the reason the battle is strong.

In spite that it is very strong, we haven't stopped the work of the Lord. In the **Church of Tosca**, a new family has been added. I only ask of your prayers so they can stay faithful to the Lord. We have been working in the Sunday School gallery. I thank God that such work He has provided. I ask of your prayers to finish what is lacking of the floor and 300 more cement blocks to finish. **We need \$800US dollars to finish the construction.**

In the **Church of Corral**, thanks to God that He has been faithful and has maintained such work. There is group of 35 brethren serving the Lord. Thanks for your prayers, encouraging always. We only ask of your prayers so we can finish the floor that is lacking. **\$300US dollars is needed to finish the construction.**

In the **Church of the Mountain of Politron**, Thanks to God we already have the electricity to this place, but we need to install the electricity to the church. The cost to install it is **\$620US dollars to do the complete installation for electricity.**

Pray for my family that we are praying for the **construction of our home**. My children are growing and we need our own home where we live. The construction is of **\$7,500US dollars for our house**. Thanks for all your prayers for each one of the churches.

I had never shared the times of the service that we have in each church but today I will share it:

In the church of Tosca: Tuesday at 6pm in the evening, Brother Antonio Trochez help us preach. On Thursday, 6pm and Sunday we have the route for the church of Sonaguera. On Monday, we have service in the mountain Politron at 5pm in the evening and also on Friday at 5pm. On Wednesday, we have service in the church of the area of Jeffrey at 6pm and on Sundays at 5pm. In the church of Corral, we have services on Tuesday at 5pm and Sunday School on Sunday at 9am. Saturday we evangelize.

That is our daily routine. Thanks for your prayers and financial support. What we do for God is not in vain. God bless each one of you. A hug from the distance.

Missionary Henry Gomez
