"God is our refuge and strength, a very present help in trouble".

Hello my dear friends,

I am happy to greet you again in the name of our Lord Jesus.

At present I am partially blind. As I mentioned before, at the Jubilee, I came to attend the jubilee and at the same time seek help for my eyes. But of all the clinics I attended, I left America with no help to my eyes.

The good news is, although I can hardly see, even to read my Bible, I am still able to preach the Word and play the piano (key board.)

Actually, I don't need the Bible to preach, seeing I have been in the ministry, preaching and teaching since as a youth in 1958. I do get assistance periodically, but in the absence of that I preach myself.

I am sorry about the whole affair. I cannot read, nor drive, however, someone drives me to church on Sundays.

My dear friends, I pray for you daily. Please do the same for me. God knows that I am very thankful to those of you who give financial support, it's very helpful in times like these. Thank you very much. I pray that God will bless your ministry.

I have not given up on my vision, as others are encouraging me to continue seeking attention for my eyes. I have an appointment to see an eye specialist on the 17th of October 2023. And since these specialists are around and available, I am going to keep on checking them for help. I will keep you all up to date from time to time.

God bless you all as you serve Him.

In Him

Claudius Harry
