The Lord Is Good & He Will Always Be

“The Lord is good, a stronghold in the day of trouble, and he knoweth them that trust in him.” Nahum 1:7

Dear prayer partners and supporters, every day we should thank the Lord for his goodness towards us, especially when in times of trouble. This is because God will continue to be like a fortified city around us therefore let's trust him.

The Lord has turned the coronavirus as a good in our favour.

Few weeks ago, a family from England who joins our service each Sunday and allow their eight year old child to join our Sunday school received a shock of their lives when this 8 year old said to them, “Mummy why don't we send the first money we make from our business this year to the church in Barbados?” The mother and aunt called me and shared with me, and the first money they made \$500 was sent towards our Building Fund. God is good. Someone just turned up and give us \$1000. towards our Building Fund

If the Lord is going to use anyone to get his job done, it is children, they are very signifi-

cant in God's Ministry.

After three years I was able to take our young people out driving and then for dinners. It was a really an exciting time for them to see each other after so long. All of them have grown up so quickly during that time, the corona food has done them well.

I will be taking out the smaller children soon; they too are protesting to be back together, I love them.

The ministry continues to do well. My visitation has not diminished although the authorities warned about visiting homes. The lord continues to protect me.
