## MISSIONARIES, FROM HAITI, TO DOMINICAN REPUBLIC

March 2022

Dear Prayer Friends, Supporters and Beloved in Jesus,

Greetings to you in the wonderful name of God our Father, and in the name of Jesus, our Redeemer . We want to thank you in all the ways for being a blessing for my family and my ministry in Dominican Republic. Thank you for your prayer, message, advice and your monthly supports.

In the name of our local church in Dominican Republic, we want to thank you all. Thank you to brothers Joe, Keith, and Detine who came last year to visit us in D.R. As they were with us, God allowed them to see the need of a piece of land for our

church, so they started praying . Not only praying, they gave their Money to be the first part which start the fundraising for the land. God in His grace touched other people's heart and they gave so we could buy the land for the church. Praise the Lord the piece of land is bought.

We want to thank as well, which is the Mission Board that opens it's doors so brothers and sisters could give. Thank you every one who prayed and gave so the dream could be a reality.

Sunday 27th of March, the missionaries Joe, Keith, and Destine and our local church dedicated the land to the work of God.

Every week we have activities for children's and bible study and for adults, praise the Lord people are getting saved in the area. Many students heard the GOSPEL at school and got saved.

We thank as well those who contributed for the tools, we did not have any tools, but brothers and sisters gave their money so we could have some like Wheelbarrow, pick, shovel.... All is possible because of the love of brothers and sisters who love us and the work of God then they gave.

### Our requests are:

More power to win people for Christ.

A Building for our local church to be free of renting.

Some more supports to care and pay bills. (The renew of my residence in July)

Protection as missionary in a foreign country

Thank you so very much !

In God's hands,
