March 2019

Dear Fellow brethren,
I'm very happy to write to you this newsletter. It is divided into four parts.

1) The weather

Good morning my dear brothers. May the Lord bless you much. At this time it is the beginning of the great dry season. It starts with the hit during the night. People sleep outside and return into their houses very early in the morning because we don't have air conditioner inside.

It is very surprising, we have gotten two heavy rains this week and the hit follows.

2) The church

God is good all the time for every body. No sickness; no death. The church activities are going as well. We've presented a new born baby to the Lord yesterday during the church service.

3) The finances

Finances are still tough. We have moved the church from my home to another land that we have rent. The building remains unfinished and we need your prayer. We lack funds for cement but it is already covered. We fence it with palm branches and we don't put cement on the floor.

I have been teaching the Book of Acts. Believers enjoy the teaching because of wonders that apostles had been operated by the Holy Spirit.

4) The events & prayer request.

Please pray for the chapel. We are about to take to our orphans rice for their food. Photograph will follow.

I have been receiving your support and am so grateful to you in Jesus' name.

Love in Christ, Bro. Richard Kedji
